30 October 1953

MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT : Weekly Report for Week Ending 30 October 1953

1. General

25X1C4a

2. Projects and Studies in Process

a. Special Shipment to Europe - (continued item)

Arrangements for the air shipment of certain classified items have been completed. It is anticipated that this entire shipment will be received in the field prior to the deadline date of 15 November 1953.

b. Survey of DD/P Logistical Functions - (continued item)

A review of the logistical functions within the SR Division has been completed by the Organization and Methods Service, Office of Comptroller. A copy of this survey has been received within the Logistics Office and is in the process of review. Representatives from the I&R Staff, Logistics Office participated in this review.

3. Staff Items of Interest

a. New Channel of Transportation - (new and completed item)

25X1C4a

Arrangements have been made whereby CIA will utilize [REDACTED] in the movement of cargo from Washington to [REDACTED]. This arrangement is expected to materially reduce transportation costs to this area.

25X1A6a

b. Delivery of Material from State Department - (new item)

This office has been informed that the State Department will no longer deliver to the CIA Library, Office of Collection and Dissemination, publications such as foreign books, newspapers, and periodicals received by the State Department from Embassies world-wide. Temporary arrangements have been made for the pickup of this material pending the completion of a study by O&M Service, Office of Comptroller to determine areas of responsibility.
